The Science Museum of Minnesota

*For grades 6-8*

**91%** of students gave CreativeCon a 4 or 5, out of 5.

**98%** of students that attended want to come back next year.

Students said,

- Creativity is not limited by anybody but yourself.
- I'm going to have more passion in what I do.
- Creativity is something you should value—it should be embraced.

Teachers said,

- Real, local people presenting their passions, getting kids thinking, sparking imaginations and “what-ifs”
- Well organized and staffed.
- Very informative, loved the variety of topics.
