# CREATIVECON

## Field trip for grades 5 to 8

### Discover CREATIVECON!

### Calling all students in grades 5 to 8!

Join us for a one-day field trip to challenge your students' creativity, strengthen their problem-solving skills and ignite their imagination. Be a part of this exciting event that brings students together with STEM and arts professionals. Come practice your creativity while attending three outstanding breakout sessions.

### Benefits

- 92% of students learned that creativity and problem solving are important skills for any career and want to come back to next year.
- 90% of students thought CreativeCon presenters provided real-world examples of how to use creativity and problem solving.

### 2018 Breakout Sessions include...

- **Biomechanics:** Design a prosthetic hand and engineer it to perform a job.
- **The Art of Mime:** Use visual mime illusions to create and act out stories.
- **Paleontology Excavation:** Use excavation tools, identify what you've discovered, create a catalog card, then take your "fossil" home.
- **Political cartooning:** Develop a concept, sketch it, revise, and ink!
- **Song Writing & Music Production:** Explore songwriting and the world of music production with vocalist/guitarist Adam Levy, perhaps best known for his 20+ years of work as lead singer-songwriter for The Honeydogs.

### Join the fun!

#### When:

November 13 or 14, 2018  
from 8:30am to 1:15pm

#### Where:

Science Museum of MN  
St. Paul, Minnesota

### Register today!

[www.successbeyond.org/CC.html](http://www.successbeyond.org/CC.html)
