- Regular \$41 per student

Nonmember rates

- Early bird \$53 per student
- Regular \$55 per student

Deadlines

- **Early bird registration**
by November 1, 2019
- **Regular registration**
by December 6, 2019

CreativeCon

Field trip for grades 5-8

Discover CreativeCon!

- Join us for a one-day field trip to challenge your students' creativity, strengthen their problem-solving skills and ignite their imagination while attending three outstanding breakout sessions and a dynamic opening performance. Be a part of this exciting event that brings students together with STEM and arts professionals.

Benefits

- 96% of students learned that creativity and problem solving are important skills for any career and want to come back to next year.
- 97% of students thought CreativeCon presenters provided real-world examples of how to use creativity and problem solving.

Opening Performance: Sampson Brothers

- As world-renowned hoop dancers, Lumhe and Samsoshe Sampson (Mvskoke Creek/Seneca)—a.k.a. the Sampson Brothers— strive to promote cultural pride, unity, and hope by setting a positive example through art, education, and dance. They hope to give back to their tribe and the Indigenous community as a whole by breaking stereotypes and thus creating opportunities for generations to come.

2020 Breakout Sessions include...

- **Animating the Impossible Machine:** Manipulate a gigantic stop motion animation studio to design, create, and animate a machine that transforms one shape into another.
- **Art in Advertising:** Explore how great design = great advertisements
- **Build a Hand:** Build a model of a hand and put it to the test!
- **Coding/Robotics:** Get creative by tinkering and controlling OzoBot Bits and OzoBot Evos.

Register Today!

- CreativeCon is brought to you by a collaboration between Success Beyond the Classroom & Metro ECSU, which provides cost-effective, high quality educational services to Twin Cities schools & districts.
