CREATIVITY FESTIVAL

Field trip for grades 3 to 5

Discover CREATIVITY FESTIVAL!

Calling all students in grades 3 to 5!

Join us for an inspiring one-day field trip that expands your students' imagination, develops their creativity, and strengthens their problem-solving skills. Be a part of this exciting event where students work side by side with STEM and arts professionals.

Help students connect their creativity with problem solving while attending three outstanding breakout sessions.

Benefits

- 95% of students learned that creativity and problem solving are important skills for any career.
- 93% of students thought Creativity Festival presenters provided real-world examples of how to use creativity and problem solving.
- 92% learned that creativity and problem solving are skills that can be practiced and strengthened.

2019 Breakout Sessions include...

- **Making Manga:** Learn the basics of comics & cartooning by creating your own!
- **Juggling, Mime & Clowning:** Practice circus skills that are sure to amaze.
- **Orienteering:** Experience this high-performance sport of navigation.
- **Oil Spills:** Become an environmental engineer and test oil spill clean up methods.
- **Bridge Up!** Build a 6-foot long truss bridge, then test it, crawl through it, and demolish it!

Join the fun!

When:

January 8 or 9, 2019
from 8:30am to 1:35pm

Where:

University of Minnesota
Ted Mann Hall
Minneapolis, Minnesota
