# Creativity Festival

## Field trip for grades 3-5

### Discover Creativity Festival!

- Join us for an inspiring one-day field trip that expands your students' imagination, develops their creativity, and strengthens their problem-solving skills. Be a part of this exciting event where students work side by side with STEM and arts professionals while attending three outstanding breakout sessions and a dynamic opening performance.

### Benefits

- 96% of students learned that creativity and problem solving are important skills for any career.
- 95% of students learned that creativity and problem solving are skills that can be practiced and strengthened.

### Opening Performance: Sampson Brothers

- As world-renowned hoop dancers, Lumhe and Samsoshe Sampson (Mvskoke Creek/Seneca)—a.k.a. the Sampson Brothers— strive to promote cultural pride, unity, and hope by setting a positive example through art, education, and dance. They hope to give back to their tribe and the Indigenous community as a whole by breaking stereotypes and thus creating opportunities for generations to come.

### 2020 Breakout Sessions include...

- **Pewter Mini-Sculptures:** Work with lead-free pewter and cuttlebone casting to create a unique piece of art.
- **Coding/Robotics:** Get creative by tinkering and controlling OzoBot Bits and OzoBot Evos.
- **Indigenous Hoop Dancing:** Grab a hoop and learn the intricate footwork and history of traditional hoop dance.

### Register Today!

- Creativity Festival is brought to you by a collaboration between Success Beyond the Classroom & Metro ECSU, which provides cost-effective, high quality educational services to Twin Cities schools & districts.
