Dates

Mid-January, 2017

Location

Ted Mann Concert Hall
University of MN, Minneapolis

What is Creativity Festival?

Exploring and honing creative potential in many different ways and learning first-hand the importance of flexible thinking, risk-taking, communication, and self-expression. Students attend an opening performance and three interactive breakout sessions led by professionals from the arts and sciences.

Students practice the art of juggling.

The day at Creativity Festival

During their day of attendance, students take part in three interactive breakout sessions and have the opportunity to experience a college campus. Your school or district will receive a random variety of tickets to the 10+ sessions. We encourage you to give students some choice about which sessions they will attend at Creativity Festival.

Assure students that it will be easy to navigate to individual sessions they will attend. Chaperones, teachers, SBC staff and SBC's red-shirt volunteer crew are on hand to assist students with directions and questions during their day at the Festival.

What to bring

- One chaperone per ten students required
- Bag lunches and beverages for every student and chaperone
- Pen or pencil and a notebook
- Nametags for all students and chaperones
