

Success Beyond the Classroom Virtual Programming 2020-2021

Young Authors Conference, grades 4-8

24 writing sessions, 3 each month from October-May. Plus live Q&As, author-created blogs, and a bookclub led by Desdamona.

The Young Authors Conference will offer 24 different writing sessions; 3 sessions a month for 8 months. Students will have access to two asynchronous sessions and 1 live session each month. The live sessions will be available as a recording on our site for all subscribers. All content, once posted, will be available all year to our entire year subscribers.

successbeyond.org/programs/yac

Creatives, grades 3-8

9 recorded activity sessions focusing on visual and performing arts experiences plus a creativity blog, and an online gallery where student work is showcased.

The Creatives are here to develop confidence, encourage self-expression, and promote problem solving skills and creative thinking. All videos and content will be available to our subscribers until June 30, 2021.

successbeyond.org/programs/creatives

STEMLink, grades 5-6

6 recorded STEM activity sessions. Plus Q&As, and a STEM career blog featuring "a day in the life" videos. Bonus content coming this winter/spring.

STEMLink is here to allow students to participate in real-world examples of STEM fields and look for ways to become more involved in STEM in their everyday life. All videos and content will be available to our subscribers until June 30, 2021

successbeyond.org/programs/stemlink

All content is password protected and videos are captioned

All program content is accessible via unique password on our site by students, teachers, and parents who purchase a registration package(s) with us. Subscription required for each program. All content is available October 1 through June 30, 2021. All recorded material is published with captions and live sessions will be captioned and posted on the website within one week after the event.

All live events will be on Microsoft Teams Live

Microsoft Teams Live does not allow students to be on camera and no personal information is shared nor is a login required. The link to join will be posted on password protected sites; all students with access to those sites will have access to the live events. Students will be able to ask questions live, anonymously or with first names only, to Success Beyond the Classroom staff. Then, all appropriate questions will be asked on behalf of the students by staff and posted for all participants to see.
