BEYOND THE
CLASSROOM**

WE CAN'T WAIT TO GATHER AGAIN AT OUR 2021-2022 EVENTS!

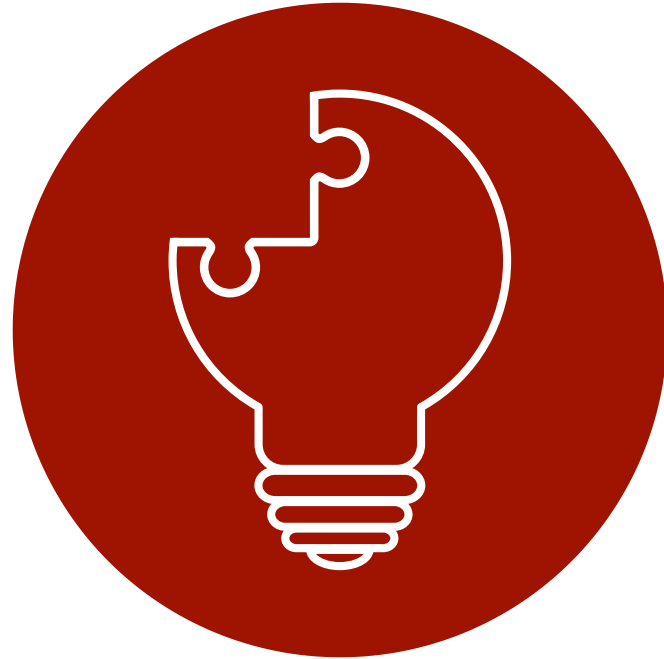

CREATIVITY FESTIVAL

Creativity Festival is an event for 3rd-5th graders. Students will explore and strengthen their creativity while getting the chance to practice new approaches to self-expression and problem solving.

Dates: March 8 & 9, 2022

Location: University of Minnesota, Ted Mann Concert Hall

CREATIVECON

CreativeCon is an event for 5th-8th graders. Students will strengthen their ability to invent, create, and problem-solve. They will utilize new ideas to fulfill artistic and STEM challenges.

Date: March 10, 2022

Location: University of Minnesota, Ted Mann Concert Hall

FUTURE CITY COMPETITION

Future City Competition is an engineering competition for 6th-8th graders. Teams work with an engineer mentor to design a futuristic city, build a scale model, write an essay, and give a presentation.

Date: January TBD, 2022

Location: Dakota County Technical College

KNOWLEDGE BOWL

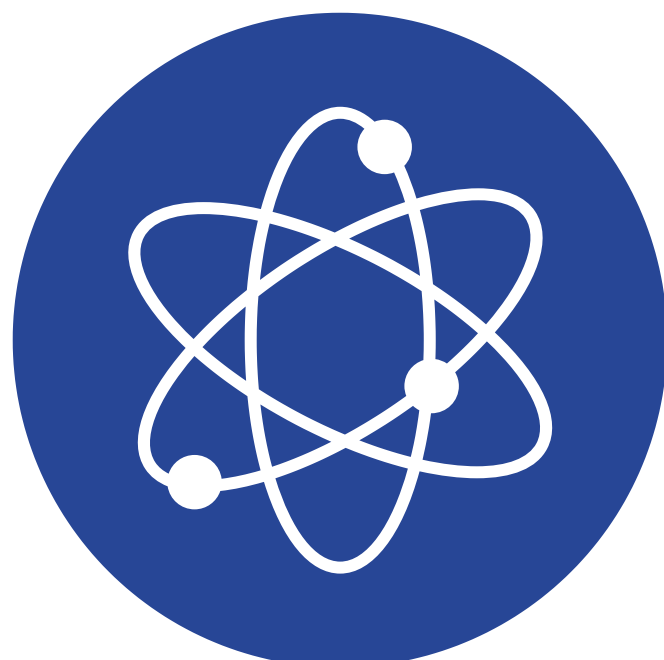

Knowledge Bowl is an academic team competition for grades 6-8 and 9-12. It strengthens problem solving and critical thinking skills, while emphasizing student growth centered on academics.

Middle Grades (Grades 6-8)

Competition season:
Fall/Winter 2021-2022

Senior High (Grades 9-12)

Competition Season:
Winter/Spring 2021-2022

STEMLINK

STEMLink is an event for 5th and 6th graders. Students learn the practical applications of science, technology, engineering, and math and how these skills can lead to an exciting career.

Dates: Spring 2022

Stay tuned for more information!

YOUNG AUTHORS CONFERENCE

Young Authors Conference (YAC) is an event for 4th-8th graders. Students attend a keynote and three sessions taught by local writers, poets, musicians, playwrights, actors, illustrators, and more.
