Senior High Knowledge Bowl

After-school competition for grades 9-12
Meets take place December - February

Does this describe you?

- You're smart. Quick. Curious. Competitive. And so are your friends. If this describes you, Knowledge Bowl could be your thing. It's an extracurricular team competition that pits you against other kids like you from other schools.
- You'll compete (yes, there is a buzzer) in written and oral rounds by answering questions that challenge your team's recall, problem solving, and critical thinking skills.

Meets

- Teams compete in three meets between December and February (3:15 to 8:00pm) at participating schools across the Twin Cities. The State Meet takes place in early April at Cragun's Resort.

Sample Knowledge Bowl Questions

- What life form is indicated by the prefixes in "mycology", "mycosis" and "mycotoxin"?
- What is the Latin phrase for the time of relative peace and stability in the Roman empire from about 27 B.C. to 180 A.D.?
- What is the term for the kind of payment made prior to when it is due, such as before a shipment is made, a sale is completed, or a book is finished?

Register by November 5, 2021

- Senior High Knowledge Bowl is brought to you by a collaboration between Success Beyond the Classroom, Minnesota Service Cooperative Knowledge Bowl, and Metro ECSU, which provides cost-effective, high quality educational services to Twin Cities schools & districts.
